Premium quality, premium service, always

Quality, For us decorating is a passion, we continually find ways to raise the bar, embracing traditional and new technologies.

Service, We treat our clients and our team members in a way that we would expect to be treated, these simple values resonate through our client reviews and awards.

Interior Decorating

Traditional, All of our team are highly skilled individuals, we embrace traditional methods such as brush and rolling. Sometimes these ways are still the best.

New technologies, We adopt new technologies when it brings a benefit to the end result or how we achieve our standards. Airborne dust is fully managed with HEPA rated dust extraction equipment with all our interior sanding equipment. Airless Paint Spraying and HVLP spraying are also deployed where appropriate.

Teamwork, We know decorating can be disruptive, whilst we will never rush our work, having the ability to put a sizable team to any project allows for a timely completion.

Fixed price quotations, The price we quote is the price you pay, no surprises.

Fully insured, Our commitment to you and your property comes in many forms and we bring a £5,000,000 cover as standard.

Reputation, Our reviews speak for themselves, check out our many 5 Star reviews on Google, Yell and various other platforms.

Customer service, For the 3rd year in a row we have been awarded best in category for outstanding customer service by Houzz.

We love colour,
